

Employment Service & Breaks

This document details the amount of employment break an applicant is allowed to have if they are in a non-professional position.

- Earning between £1- £25000 a minimum of 6 months employment without more than 31 days break
- Earnings £25001 - £40000 can have up to 45 days break
- Earnings £40001 - £60000 can have up to 59 days break
- Earnings £60001 - £80000 can have up to 73 days break

All applicants earning over £80000 per annum can be referenced as a professional due to the high salary.
